

PAMELA B. GWIN HALL

APRIL 13, 2000.—Referred to the House Calendar and ordered to be printed

Mr. SHUSTER, from the Committee on Transportation and
Infrastructure, submitted the following

REPORT

[To accompany H.R. 1729]

[Including cost estimate of the Congressional Budget Office]

The Committee on Transportation and Infrastructure, to whom was referred the bill (H.R. 1729) to designate the Federal facility located at 1301 Emmet Street in Charlottesville, Virginia, as the “Pamela B. Gwin Hall”, having considered the same, report favorably thereon without amendment and recommend that the bill do pass.

Pamela B. Gwin began her 15-year tenure at the Federal Executive Institute in 1983 as a faculty member. She received her Ph.D. in Political Science from Duke University, and was a member of the American Political Science Association, Organization of American Historians, Southern Historical Association, American Society for Public Administration and was especially active in the American Society for Training and Development and the Center for the Study of the Presidency.

Dr. Gwin educated her students in public policy, sharing her deep interest in politics and the presidency. In 1987 she became Assistant Director of Academic Programs and implemented the design and operation of the Leadership for a Democratic Society Program. Pam not only inspired her students to excel, but also touched on every facet of the Federal Executive Institute, influencing the elegant design of the Virginia Study, the Alumni Lounge, along with the design and furnishing of the new Annex and library.

Pam gave tirelessly to her students and everyone at the Federal Executive Institute. She survived and continued working for two years after receiving a heart transplant in 1996. Dr. Gwin died in 1998.

This is a fitting designation for a dedicated educator.

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, April 12, 2000.

Hon. BUD SHUSTER,
Chairman, Committee on Transportation and Infrastructure, House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed the following bills, which were ordered reported by the House Committee on Transportation and Infrastructure on April 11, 2000. CBO estimates that their enactment would have no significant impact on the federal budget, and would not affect direct

spending or receipts; therefore, pay-as-you-go procedures would not apply. The legislation contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments. The bills reviewed are:

- H.R. 1405, a bill to designate the federal building located at 143 West Liberty Street, Medina, Ohio, as the “Donald J. Pease Federal Building;”
- H.R. 1571, a bill to designate the federal building under construction at 600 State Street in New Haven, Connecticut, as the “Merrill S. Parks, Jr., Federal Building;”
- H.R. 1729, a bill to designate the federal facility located at 1301 Emmet Street in Charlottesville, Virginia, as the “Pamela B. Gwin Hall;” and
- H.R. 1901, a bill to designate the United States border station located in Pharr, Texas, as the “Kika de la Garza United States Border Station.”

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is John R. Righter.

Sincerely,

STEVEN LIEBERMAN
(For Dan L. Crippen, Director).
